

## ***HERITAGE HIGHLANDS TENNIS ASSOCIATION OVERVIEW***

**Heritage Highlands has four lighted, wind-screened tennis courts located just northwest of the clubhouse. The Nova Pro court surfaces consist of a synthetic carpet filled to below the nap with an opaque sand material. This surface provides a consistent bounce and is very easy on player's legs and feet.**

**The Heritage Highlands Tennis Association coordinates the use of the courts and organizes various tennis events throughout the year.**

**Organized Tennis is scheduled throughout the year with women playing on Monday, Wednesday and Friday mornings and men playing on Tuesday, Thursday and Saturday mornings. Sign-up sheets are posted at the tennis courts. Tennis Coordinators for men and women match players of similar playing ability and assign players to courts at specific times on the designated days.**

**Guidelines for Organized Tennis are posted on the Bulletin Board at the tennis courts and also on this web site.**

**In addition to organized tennis, there are several Heritage Highlands USTA teams and a Heritage Highlands woman's doubles team that participates in the Tucson Women's Interclub league. In addition, there are singles and doubles ladders for those who want some additional friendly competition.**

**Also, a teaching pro is available during winter months for group or private lessons, and a ball machine is located on Court Four for players wishing to improve their game.**

**For more information, contact Tennis Association officers, whose phone numbers are listed on this web site and also on the bulletin board at the tennis courts.**
